

The Second Coming of Common Sense (CS2)

The following is the Table of Contents of the 2008, 718-page book, *The Second Coming of Common Sense (CS2)*. There is a website devoted to the book at, <http://commonsense2009.typepad.com/>

This is intended to provide you with a perspective for the range of topics – social, economic, and political that are addressed in the book. To provide insight on what I am always trying to communicate for common understanding and perspective among my fellow American citizens.
